

QUALITY POLICY

Beacon Water Treatments Limited develops and supplies water treatment products, provides on-site services and maintains the associated equipment.

It is the policy of Beacon Water Treatments Limited to ensure the continual improvement of our overall performance in order to satisfy the expectations and needs of our customers, regulatory bodies and stakeholders.

We are committed to continually improving the effectiveness of our Quality Management System.

To achieve this objective, Beacon Water Treatments Limited operates a Quality Management System that is described in our Quality manual and Procedures and satisfies the requirements of BS EN ISO 9001.

Adherence to this policy involves all of the Company's activities and services and their effects. This policy is understood, implemented and maintained at all levels within the organisation.

We have developed a framework for setting, establishing and reviewing quality objectives.

Our Quality Policy, including our quality objectives, is publicly available.

The Directors have the ultimate responsibility for the effective operation of our Quality Management System and ensure that the Quality Policy is regularly reviewed for continuing suitability.

Daniel Icke
Managing Director
